

TANF Skills Challenge

JPI

Updated 06/30/2014

1. True or **False**: A parent must be working at least 20 hours per week and have a child under 18 to be eligible for JPI.
2. Tom and Martha have a 4 year old son. They both work full time and are currently receiving SNAP benefits. Are they eligible for JPI?
3. True or False: Clients must provide 2 weeks of actual work hours in order to determine eligibility for JPI.
4. True or False: Cases in CRS can receive JPI benefits.
5. Tonya and her 4 year-old son currently have an open SNAP case, but are not receiving JPI benefits. Tonya works 15 hours/week. What coding do you put on FCAS to reflect her JPI eligibility?
6. How do you calculate JPI hours for someone who is self employed?
7. What reporting system are JPI recipients subject to?
8. When coding a UCMS case, when would you use a JP2 need resource?
9. Charlie is attending school and receives SNAP benefits for himself and his 3 year old daughter. He is in a federal work-study position and works 20 hours per week. Is Charlie eligible for JPI? Why or why not?
10. The maximum number of months we can issue retroactive JPI payments is:
 - a. 3 months
 - b. 1 month
 - c. 4 months
 - d. We cannot issue retroactive JPI payments

11. Which of the following issuance codes would you use to issue JPI benefits in the initial month?
 - e. IJ
 - f. EN
 - g. ED
 - h. DQ

12. When coding the JPI need/resource on UCMS, what end date do you use?

13. Christina and her daughter, age 5, are receiving SNAP benefits. Christina provided proof of her work hours showing she is working 23 hours per week. Christina is an ineligible non citizen. Is Christina eligible for JPI? Why or why not?
