

Labor Market Research Worksheet

If you are thinking about investing your time and money in schooling or training, it is important you learn as much as you can about the career path you are considering. The information you encounter while completing this worksheet will help you make an educated decision. There are many resources available to help people think about going to school for a specific job. Ask your *Family Coach* if you would like assistance to find these resources.

1. What is the title of the job you would like to have?

2. What is the starting wage for this job in your surrounding areas?

3. What type of education/training is needed for this job?

4. How would you describe the job outlook for this occupation? (*ex.: grows much faster than average*)

5. How many job listings were you able to find for this position?

6. Does the job require a background check? Yes No

If yes, background checks can be requested at your local police department or if available through the JOBS contractor.

7. Have you ever been arrested or convicted of a crime? If so, please give dates and explain what happened.
