

Documenting TANF Time from Out-of-State or Tribal TANF

Info can be found in the FSM under the TANF Chapter, Section N or OAR 461-135-0075

Updated 01/04/2013

1. Determine if the client has received TANF in another state or Tribal TANF using ID, interview, or the application. This should be checked at every intake and recertification (if not previously done).
2. Contact the state where they received TANF, and verify the month(s) that the client received TANF. MPWG#4 has contact information for other states. (Remember to take time zones in consideration when making the call.)
3. Go to the Webm Find screen. Mark the dot next to "TL" in the bottom right corner with any character and press F13 (shift+F1).
