WORK VERIFICATION POINTS UPDATE APRIL 2019

JOBS – Summer Youth Employment Program (SYEP)

Program Description

The Summer Youth Employment Program (SYEP) is a statewide TANF JOBS program run by JOBS contracts. SYEP focuses on TANF Youth. Youth includes: parenting teens (ages 16-18), non-parenting teens (a CH on their caretaker’s TANF grant ages 16-18), and young parents (ADs age 18-24). SYEP is designed to give youth the experience of working, gain occupational skills, and learn what it feels like to receive a paycheck.

Districts 1, 2, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, and 16 are part of a nearly statewide contract that works with the Higher Education Coordinating Commission, Local Workforce Development Boards, and other WIOA providers. The 2019 SYEP will start May 1, 2019 and go through October 31, 2019.

**Districts 3, 4, and 5 have separate contracts, so dates and services may vary in those areas.

Services Offered by SYEP

- Develop workplace skills such as: time management, work ethic, communication with managers and coworkers, etc.
- Employment skills assessment or career aptitude test
- Identify and address barriers to employment
- Skills training to remove barriers to employment and improve employability
- Placement for subsidized employment
  - Contractors will develop worksites based on participant’s interests
  - Placement will last between 5-8 weeks
  - Participants will work between 15-40 hours per week (typically working up to 200 hours total)
  - Participants will receive subsidized wages and paid at least minimum wage
- Support services (more info below)
- Connection to ongoing services for additional training and education opportunities, such as pre-apprenticeship programs, vocational training, or higher education opportunities
Coding UCMS for a “CH” engaged in SYEP

Typically, a “CH” on a TANF case with their parent or caretaker-relative, does not have a PDP in TRACS and support services are only issued to JOBS-eligible or JOBS-volunteer adults. In order to support a “CH” in the SYEP, the following coding needs to be added to UCMS:

1. Identify the CH who is engaging in SYEP.
2. Add a JOBS Status (JS) of C, add an Exemption (Exmp) code of U on the CH line on the UCMS CM Case Member Update screen.

Coding Example:

Adding the C/U JOBS Status and Exemption coding to the CH who is engaging in SYEP will allow the Family Coach to open a PDP in TRACS for the CH and issue related support service payments through JASR for the CH.

Please note: The TRACS PDP will need to be closed and the C/U coding will need to be removed from UCMS when the CH has completed SYEP or decides no longer to engage in the program.

TRACS PDP for SYEP

When a youth is engaged in the Summer Youth Employment Program, we will open a JT (On-the-Job Training) step on their TRACS PDP. See the JAG (JOBS Activity Guideline – 4/1/19 version) for more information.

Support Services for SYEP Participants

In order to increase accessibility to support services for SYEP participants, SYEP participants can request support services from either their contractor or Family Coach.

Support services are offered through the contractor providing the SYEP services. Contractors are able to offer support services that are tied to the participant’s ability to engage in the
program. For example, contractors are able to help with work clothes, work shoes, tools related to the participant’s placement, transportation, etc. Contractors will refer an SYEP participant to their Family Coach if they are needing assistance with child care (because it will need to be requested through a CCB or JCCB) and any other support services requested that are not directly tied to the SYEP. **Support services through the contractor are available as long as funds last.**

Family Coaches are also able to support SYEP participants with support services, tied to the JT step in TRACS.

Because both the SYEP contractors and Family Coaches are able to provide support services. Local areas will communicate openly with contractors to ensure that duplicate payments are not issued. Talk with your local management to determine what this process looks like in your area.

**Counting SYEP Subsidized Income**

Based on OAR [461-145-0300](#), SYEP subsidized wages are counted differently than other earned income.

ADDITIONAL NOTES:

**Earned Income Tax Credit (EITC):** Participants are paid wages in the summer youth program may be eligible for the Federal and Oregon Earned Income Tax Credits and by completing the W-5 may be eligible for the advanced federal EITC. EITC is excluded income and requires the client to file tax returns to receive both the Federal and State credit.

**Fair Labor Standards Act (FLSA) & JOBS Hour Limit:** The FLSA hour limit does not apply as this is considered paid work.

**WIOA Work Experience:** This differs from the JOBS Work Experience definition.

**Examples**

**Example 1:** Yvette is 23 years old. While meeting with her Family Coach, she learns about SYEP. Yvette is interested in the program. She signs a release of information to be referred to the contractor and attends an information session. She decides she would like to join SYEP. Yvette is interested in working in an office sometime. Her SYEP placement is in a non-profit organization called Helping Hands as a support staff. She will work 15 hours per week for 8 weeks.

TRACS PDP:
Step: JT
Description: Complete SYEP placement at Helping Hands.
Hours: 15

**Example 2:** Janelle’s Family Coach called to check in. The Family Coach let Janelle know that her 16 year-old son, Dylan, is eligible for SYEP. The Family Coach describes the program and provides information about the information session that is coming up soon. At the info. session, Dylan and Janelle complete a release of information, so Dylan can be referred to the contractor and engage in SYEP. He is interested in working with animals, so the contractor connects Dylan with a placement at the Humane Society as a dog/cat socializer. He agrees to work 40 hours per week for 5 weeks.

The Family Coach adds the C/U JOBS Status and Exemption codes to Dylan in UCMS so he is able to have a PDP in TRACS. (Once the 5-week placement is complete, the Family Coach will remove the C/U coding).

TRACS PDP:
Step: JT
Description: Complete SYEP placement at the Humane Society.
Hours: 40
