

Modernization Update: January 2013

PROJECT UPDATES

Initial Win Build 3 internal demo will be held at the end of January. Only one more build to go before we can demo this to the field!

Business Transition team members are visiting select SSP, APD, and AAA offices across the state to assess our readiness for process and technology changes. The results will be posted to the intranet, so keep an eye out for it in February.

Glossary

Initial Win: the CAPI replacement project that will cover SNAP and medical applications

Jan 10

Central Office
Communications Sessions

Jan 16

Change Leaders webinar

Jan 18

FURLOUGH

Jan 21

HOLIDAY: MLK Day

Jan 24

Central Office
Communications Sessions

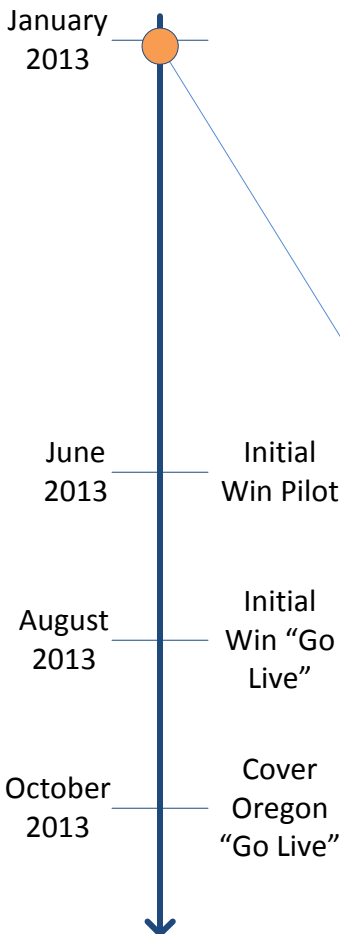

Jan
30-31
