

Modernization Update: April-May 2013

Updates

* Good news about bandwidth upgrades for offices across the state: OIS plans to complete all upgrades by July 31.

* Initial Win is in the homestretch. We're currently working on Build 4, the last of the planned builds.

* Check out the new Oracle courses available through the Learning Center! These online courses cover a variety of more advanced technical topics and are available to all staff. BT Training is working to prepare modules for Basic Siebel Navigation and Terms.

Glossary

Bandwidth: refers to how fast your internet connection is.

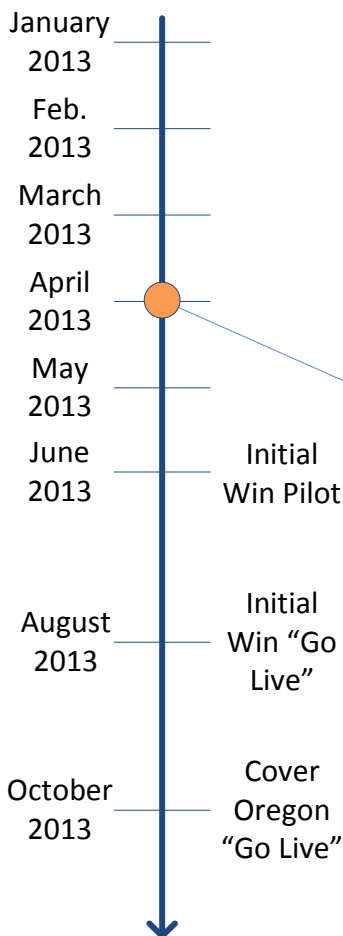

Initial Win: the CAP replacement project that will cover SNAP and medical applications

Apr 24	Change Leaders In-Person
May 12	Mother's Day
May 15	Change Leaders Webinar
May 24	Furlough
May 27	Memorial Day
