

Modernization Update: June-July 2013

Updates

* The final name and brand for our "Initial Win" is getting approved this month. As soon as DHS executives make the final decision, we'll let you know.

* Good news about Cover Oregon: customers applying for PPACA tax credits can apply for medical benefits using the same application. Such applications will be processed at 5503.

* Field Liasons, look for your first Technology Tidbits emails starting in July!

PPACA: The Patient Protection and Affordable Care Act establishes a health insurance marketplace in each state. At the marketplace, consumers can obtain medical care coverage for themselves and their families. The public corporation that administers our marketplace is Cover Oregon.
