**UPDATE: New 2019 Mileage Rates**

The work to update OR-Kids allowing automatic calculation of mileage reimbursement payments is continuing. **Effective Jan. 1, 2019, the new rate for non-medical mileage reimbursement is \$0.58 per mile (see [here](#)).**

If you are in an area that does not have a brokerage for medical transportation, effective Jan. 1, 2019, any medical transportation reimbursement should use a rate of \$0.20 per mile.

Once the OR-Kids payment request page is updated, we will send out more information on how these payments should be processed.
