   b. "Permanent" means enduring and stable.
2. "Case plan" means a written, goal oriented, time limited individualized plan for the child
and the child's family, developed by the Department and the parents or guardians, to achieve the child's safety, permanency, and well being.

(3) "Chafee housing" means a payment to assist in covering the costs of room and board made to an eligible individual between 18 and 20 years of age who was discharged from the care and custody of the Department or one of the federally recognized tribes on or after reaching 18 years of age.

"Parent" also includes a putative father who has demonstrated a direct and significant commitment to the child by assuming or attempting to assume responsibilities normally associated with parenthood unless a court finds that the putative father is not the legal father.

(12) "Permanency plan" means a written course of action for achieving safe and lasting family resources for the child through the parents, relatives, or others who may assume legal responsibility for the child during the child's remaining years of dependency and be accessible and supportive to the child when the child is 18 years of age or older.
