Training Information

These rules were modified with implementation beginning January 1, 2004. Changes were made throughout the rule to align language with the current DHS/CAF field structure. Other significant changes include:

1. **Purpose** (OAR 413-070-110-0500) was revised, but no changes were made that affect practice.
2. **Definitions** section (OAR 413-070-0505 was revised in its entirety, with substantive changes as follows:
 - A. (1)Minor changes to the definition of concurrent plan with an emphasis on the “simultaneous” development of the concurrent plan with the reunification effort with the parents .
 - B. (2)Comprehensive definition of concurrent planning outlining those specific actions necessary to achieve the concurrent plan. These activities are contained in (2)(a-d).
