Effective Date: April 1, 2003

The Private Duty Nursing Services administrative rules have been revised effective April 1, 2003.

Rule 410-132-0180 is being revised to reflect the 2003 CPT and HCPCS code changes and to change OMAP unique codes to match the new HCPCS codes.

Read this rule change carefully as it will affect your payments.

At this time the provider guide has not been revised. The above rule will be incorporated into the next revision of the guide.

If you have a billing question, contact a Provider Services Representative, toll-free at 1-800-336-6016 or (503) 378-3697 (direct). Additional information for the providers is available at OMAP's website. The website has a new address:
