Justification of Temporary Rules

The Department finds that failure to act promptly by amending OAR 461-165-0180 will result in serious prejudice to the public interest, the Department, and families receiving subsidized child care. The Department needs to proceed by temporary rule to monitor without delay compliance with child safety requirements by requiring providers receiving subsidy child care payments to provide care within the state of Oregon.

Eligibility of Child Care Providers

- (1) The Department must approve a child care provider to receive payment for child care if information available to the Department provides no basis for denying eligibility unless the Department determines, following a final fitness determination (see OAR 125-007-0260 and 407-007-0320) or Child Protective Service (CPS) records checks, that the provider or other *subject individual* (see OAR 125-007-0210 and 407-007-0210(8)(a)(J)) is not eligible for payment.
- (2) Ineligibility for payment may result from any of the following:
 - (a) A finding of "denied".
 - (A) A provider may be "denied" under OAR 461-165-0410 and 461-165-0420. If, after conducting a weighing test as described in OAR 407-007-0300, the Department finds substantial risk to the health or safety of a *child* (see OAR 461-001-0000) in the care of the provider, the provider must be "denied" and is ineligible for payment.
 - (B) A provider who has been "denied" has the right to a hearing under OAR 407-007-0335.
 - (b) A finding of "failed".
 - (A) A provider may be "failed" if the Department determines, based on a specific eligibility requirement and evidence, that a provider does not meet an eligibility requirement of this rule not covered in paragraph (c)(A) of this section.
 - (B) While the provider is in "failed" status:
 - (i) The Department does not pay any other child care provider for child care at the "failed" provider's site.
 - (ii) The Department does not pay a child care provider at another site if the "failed" provider is involved in the child care operation unless the Department determines that the reasons the provider is in "failed" status are not relevant to the new site.
 - (C) A provider with a status of "failed" may reapply at any time by providing the required documents and information to the Department for review.
 - (c) A finding of "suspended".

- (A) A provider may be "suspended" if the Department determines and provides notice that the provider does not meet an eligibility requirement in the following subsections and paragraphs of section (7) of this rule: (d), (e), (h), (i), (j), (k), (L), (o)(H), (o)(I), (o)(L), or (t) or in section (10) of this rule. A provider who has been "suspended" may challenge this status by requesting a contested case hearing subject to the requirements and limitations of OAR 461-025.
- (B) While the provider is in "suspended" status:
 - (i) The provider is ineligible for payment for at least six months.
 - (ii) The Department does not pay any other child care provider for child care at the "suspended" provider's site.
 - (iii) The Department does not pay a child care provider at another site if the "suspended" provider is involved in the child care operation unless the Department determines that the reasons the provider is in "suspended" status are not relevant to the new site.
- (C) A provider with a status of "suspended" may be eligible for payments after the six month ineligibility period ends when the provider has been approved following reapplication, including providing the required documents and information to the Department for review.
- (d) The Department has referred an overpayment against the provider for collection and the claim is unsatisfied.
- (3) The provider must submit a completed Child Care Provider Listing Form (DHS 7494) to the Department within 30 calendar days from the date the Department issues the listing form to the client. The provider and each individual identified under section (4) of this rule must complete and sign the authorization for a records check through the Criminal History (CH) record system maintained by the Oregon State Police (OSP), Federal Bureau of Investigation (FBI), and the Child Protective Service (CPS) record system maintained by the Department and, if necessary, an authorization to release information and fingerprint cards. The provider, each individual described in section (4) of this rule, and each *subject individual* described in OAR 125-007-0210 and 407-007-0210(8)(a)(J) must fully disclose all requested information as part of the records check.
- (4) This rule also establishes additional requirements for the following individuals:
 - (a) The site director of an exempt child care facility and each employee of the facility who may have unsupervised access to a *child* in care.
 - (b) The child care provider and each individual the provider uses to supervise a *child* in his or her absence.

- (c) In the case of a provider who provides care for a *child* in the provider's home--
 - (A) Each individual 16 years of age or older who lives in the provider's home; and
 - (B) Each individual who visits the home of the provider during the hours care is provided and may have unsupervised access to a *child* in care.
- (5) To receive payment or authorization for payment, the provider must comply with at least one of the following subsections:
