NEED FOR THE RULE(S):

OARs 461-155-0150 about Child Care Provider Eligibility Standard, Payment Rates, Payment Limits, and Payable Hours, and 461-160-0300 about Use of Income to Determine Eligibility and Copay Benefits for ERDC, need to be changed to bring the Department's rules into alignment with the increased provider payment amounts that became effective January 1, 2022, as well as the update to the income-based copay amounts, which decrease child care copays for families whose income now falls under a lower copay amount, effective March 1, 2022. These updates keep provider payments in alignment with state payment increase decisions, and child care copays in alignment with updated federal poverty and state median income amounts.

JUSTIFICATION OF TEMPORARY FILING:

Failure to act promptly by amending OARs 461-155-0150 and 461-160-0300 will result in serious prejudice to the public interest, the Department, individuals who receive or apply for its programs, and individuals who are eligible to receive child care provider payments. The Department needs to proceed by temporary rule because the Department is determining eligibility for individuals and payment child care providers on a continuous basis. The updated child care provider rates as of January 1, 2022, and federal poverty amounts as of March 1, 2022, will allow ODHS to accurately determine eligibility for its programs and issue provider payments, which provide essential support to those who qualify.

AMEND: 461-155-0150

RULE SUMMARY: OAR 461-155-0150 is being changed to increase child care provider rates effective January 1, 2022.

CHANGES TO RULE:

461-155-0150

Child Care Provider Eligibility Standard, Payment Rates, Payment Limits, and Payable Hours ¶¶

The following provisions apply to child care in the ERDC, JOBS, JOBS Plus, and TANF programs:¶¶

(1) The following definitions apply to the rules governing child care rates:¶¶

(a) Infant: For all providers other than licensed (registered or certified) care, a child aged newborn to 1 year. For licensed care, an infant is a child aged newborn to 2 years.¶¶

(b) Toddler: For all providers other than licensed (registered or certified) care, a child aged 1 year to 3 years. For licensed care, a toddler is a child aged 2 years to 3 years.¶¶

(c) Preschool: A child aged 3 years to 6 years.¶¶

(d) School: A child aged 6 years or older.¶¶

(e) Special Needs: A child who meets the age requirement of the program (ERDC or TANF) and who requires a level of care over and above the norm for their age due to a physical, behavioral, or mental disability. The disability must be verified by one of the following:¶¶

(A) A physician, nurse practitioner, clinical social worker, or any additional sources in OAR 461-125-0830.¶¶

(B) Eligibility for Early Intervention and Early Childhood Special Education Programs, or school-age Special Education Programs.¶¶

(C) Eligibility for SSI.¶¶

(2) The following definitions apply to the types of care specified in the child care rate charts in subsections (4)(a) through (4)(c) of this rule:¶¶

(a) The Standard Family Rate applies to child care provided in the provider's own home or in the home of the child when the provider does not qualify for the enhanced rate allowed by subsection (b) of this section.¶¶

(b) The Enhanced Family Rate applies to child care provided in the provider's own home or in the home of the child when the provider meets the training requirements of the Oregon Registry, established by the Oregon Center for Career Development in Childhood Care and Education.¶¶

(c) The Registered Family Rate applies to child care provided in the provider's own home when the provider meets criteria established by the Office of Child Care.¶¶

(d) The Certified Family Rate applies to child care provided in a residential dwelling that is certified by the Office of Child Care as a Certified Family Home. To earn this designation, the facility must be inspected, and both provider and facility are required to meet certain standards not required of a registered family provider.¶¶

(e) The Standard Center Rate applies to child care provided in a facility that is not located in a residential dwelling and is exempt from Office of Child Care Certification rules (see OAR 414-300-0000).¶¶

(f) The Enhanced Center Rate applies to child care provided in an exempt center whose staff meet the training requirements of the Oregon Registry established by the Oregon Center for Career Development in Childhood Care and Education. Eligibility to receive the enhanced center rate for care provided in an exempt center is subject to the following requirements:¶¶

(A) A minimum of one staff member for every 20 children in care must meet the Oregon Registry training requirements noted in subsection (b) of this section.¶¶

(B) New staff must meet the Oregon Registry training requirements within 90 days of hire, if necessary to maintain the trained staff-to-children ratio described in paragraph (A) of this subsection.¶¶

(C) There must be at least one person present where care is provided who has a current certificate in infant and child CPR and a current American Red Cross First Aid card or an equivalent.¶¶

(g) An enhanced rate will become effective not later than the second month following the month in which the Department receives verification that the provider has met the requirements of subsection (b) or (f) of this section.¶¶

(h) The Certified Center Rate applies to child care provided in a center that is certified by the Office of Child Care or participating in the Alternative Pathway program through the Office of Child Care.¶¶

(3) The following provisions apply to child care payments:¶¶

- (a) Providers not eligible for the enhanced or licensed rate will be paid at an hourly rate for children in care less than 158 hours per month subject to the maximum full-time monthly rate.
- (b) Providers eligible for the enhanced or licensed rate will be paid at an hourly rate for children in care less than 136 hours a month, unless the provider customarily bills all families at a part-time monthly rate subject to the maximum full-time monthly rate and is designated as the primary provider for the case.
- (c) At their request, providers eligible for the enhanced or licensed rate may be paid at the part-time monthly rate if they provide 63 or more hours of care in the month, customarily bill all families at a part-time monthly rate, and are designated as the primary provider for the case.
- (d) Unless required by the circumstances of the caretaker or child, the Department will not pay for care at a part-time monthly or a monthly rate to more than one provider for the same child for the same month.
- (e) The Department will pay at the hourly rate for less than 63 hours of care in the month subject to the maximum full-time monthly rate.
- (f) The Department will pay for absent days each month the child is absent. Absent days can be billed if:
 - (A) It is the provider's policy to bill all families for absent days; and
 - (B) The child was scheduled to be in care, the provider bills for the amount of time the child was scheduled to be in care, and the child has not been absent for a calendar month.
- (g) Child care providers are eligible to receive an incentive payment upon achieving and maintaining a three star or higher rating with the Quality Rating Improvement System (QRIS) subject to all of the following provisions.
 - (A) The incentive payment is in addition to the Department maximum rate.
 - (B) A provider may receive an incentive payment for any ERDC child that the Department paid the provider for full-time care (136 hours or more).
 - (C) Providers who are contracted for child care services through the ERDC program are not eligible to receive incentive payments, with the exception of Early Head Start providers.
 - (D) Eligibility for the incentive payment is effective the month after the QRIS rating has been achieved.
 - (E) The incentive payment amount is based on the provider's star QRIS rating as follows:

Star Rating	Amount
3	\$54
4	\$72
5	\$90
- (h) In the ERDC program, child care providers eligible for the licensed rate may receive payment from the Department for registration and other fees if they are required by the facility for a child to begin or continue care and the fees are also required of the general public. Fees related to penalties, fines, charges exceeding approved ERDC hours or rates (see section (4) of this rule), or advance payment for cost of care are not eligible for payment.
- (4) Effective January 1, 2022, the following are the child care rates based on the type of provider, the location of the provider (shown by zip code), the age of the child, and the type of billing used (hourly or monthly):
 - (a) [see attached table]
 - (b) [see attached table]
 - (c) [see attached table]
- (5) OAR 461-160-0300 establishes ERDC financial eligibility, allowable child care cost, and the copay calculation, except for child care under a contract between a Head Start agency and the Department, which is covered under OAR 461-135-0405.
- (6) Subject to the provisions in section (9) of this rule, the monthly limit for each child's child care payments is the lesser of the amount charged by the provider or providers and the following amounts:
 - (a) The monthly rate provided in section (4) of this rule.
 - (b) The product of the hours of care, limited by section (8) of this rule, multiplied by the hourly rate provided in section (4) of this rule.
- (7) The limit in any month for child care payments on behalf of a child whose caretaker is away from the child's home for more than 30 days because the caretaker is a member of a reserve or National Guard unit that is called up for active duty is the lesser of the following:
 - (a) The amount billed by the provider or providers.
 - (b) The monthly rate established in this rule for 215 hours of care.
- (8) The number of payable billed hours of care for a child is limited as follows:
 - (a) In the ERDC and TANF programs, the total payable hours of care in a month may not exceed the amounts in paragraphs (A) or (B) of this subsection:
 - (A) 125 percent of the number of child care hours authorized:
 - (i) Under OAR 461-160-0040(3) and (6); or
 - (ii) To participate in activities included in a case plan (see OAR 461-001-0025) including, for caretakers in the JOBS Plus program, the time the caretaker searches for unsubsidized employment and for which the employer

pays the caretaker.¶

(B) The monthly rate established in section (4) of this rule multiplied by a factor of not more than 1.5, determined by dividing the number of hours billed by 215, when the caretaker meets the criteria for extra hours under section (10) of this rule.¶

(b) In the ERDC program, for a caretaker who earns less than the Oregon minimum wage, the total may not exceed 125 percent of the anticipated earnings divided by the state minimum wage not to exceed 172 hours (which is full time).¶

(c) In the TANF program, for a caretaker who earns less than the Oregon minimum wage or is self-employed, the total may not exceed 125 percent of the anticipated earnings divided by the state minimum wage not to exceed 172 hours (which is full time). The limitation of this subsection is waived for the first three months of the caretaker's employment.¶

(d) In the ERDC program, employed caretakers eligible under OAR 461-135-0400 may have education hours added to the authorized work hours. Education hours may not exceed authorized work hours and combined hours may not exceed 215 hours per month. Education hours are hours required to participate in coursework that leads to a certificate, degree, or job-related knowledge or skills attainment at an institution of higher education approved to receive federal financial aid.¶

(9) The limit in any month for child care payments on behalf of a child whose caretaker has special circumstances, defined in section (10) of this rule, is the lesser of one of the following:¶

(a) The amount billed by the provider or providers; or¶

(b) The monthly rate established in section (4) of this rule multiplied by a factor, of not more than 1.5, determined by dividing the number of hours billed by 215.¶

(10) The limit allowed by section (9) of this rule is authorized once the Department has determined the caretaker has special circumstances. For the purposes of this section, a caretaker has special circumstances when it is necessary for the caretaker to obtain child care in excess of 215 hours in a month to perform the requirements of their employment or training required to keep current employment, not including self-employment. This is limited to the following situations:¶

(a) The commute time to and from work exceeds two hours per day.¶

(b) The caretaker works an overnight shift and care is necessary for both work hours and sleep hours.¶

(c) The caretaker works a split shift and it is not feasible to care for the child between shifts.¶

(d) The caretaker consistently works more than 40 hours per week.¶

(11) The payment available for care of a child who meets the special needs criteria described in subsection (e) of section (1) of this rule is increased in accordance with OAR 461-155-0151 if the requirements of both of the following subsections are met:¶

(a) The child requires significantly more direct supervision by the child care provider than normal for a child of the same age.¶

(b) The child is enrolled in a local school district Early Intervention or Early Childhood Special Education program or school-age Special Education Program. The enrollment required by this subsection is waived if determined inappropriate by a physician, nurse practitioner, licensed or certified psychologist, clinical social worker, or school district official.

AMEND: 461-160-0300

RULE SUMMARY: OAR 461-160-0300 is being changed to update the monthly child care copay effective March 1, 2022, for all need group sizes.

CHANGES TO RULE:

461-160-0300

Use of Income to Determine Eligibility and Copay Benefits for ERDC ¶

The Department determines financial eligibility (see OAR 461-001-0000) for ERDC and the copay benefit level as follows:¶

(1) ERDC financial eligibility.¶

(a) The financial group (see OAR 461-110-0530) may not exceed the resource limit in OAR 461-160-0015.¶

(b) The monthly countable (see OAR 461-001-0000 and 461-145-0930) gross income of the financial group is determined in accordance with OAR 461-150-0060. If monthly countable income equals or exceeds the eligibility standards, the need group (see OAR 461-110-0630) is ineligible for ERDC.¶

(A) At initial certification, the ERDC eligibility standard is met for a need group of eight or less if monthly countable income for the need group is less than 200 percent of the federal poverty level (FPL), as described in OAR 461-155-0180. The eligibility standard for a need group of eight applies to any need group larger than eight.¶

(B) During the certification period (see OAR 461-001-0000) and at recertification the ERDC eligibility standard is met for a need group of eight or less if monthly countable income for the need group during the 12 month period is less than 250 percent FPL or 85 percent state median income (SMI), whichever is higher, as described in OAR 461-155-0180. The eligibility standard for a need group of eight applies to any need group larger than eight.¶

(c) The copay calculated under section (3) of this rule is compared to the allowable child care cost under section (2) of this rule. If the copay is equal to or greater than the allowable child care cost, the client is not eligible for ERDC.¶

(2) Allowable Child Care Cost. For an individual found eligible under section (1) of this rule, the allowable child care cost is set under this section.¶

(a) The child care costs for which the client has been billed are compared to the amount provided in the appropriate child care chart in OAR 461-155-0150. The allowable child care cost is the lesser of the two amounts.¶

(b) The need group's copay is determined in accordance with section (3) of this rule.¶

(c) The copay is subtracted from the allowable child care cost, and the remainder is the payment the Department makes to the provider.¶

(3) Copay Calculation.¶

(a) A need group with a certification period that began in March 2020 through September 2021 shall have a monthly copay of \$0 for the entirety of the certification period. The copay calculation for February 2020 and earlier is found in previous versions of OAR 461-155-0150.¶

(b) When determining the copay, upon the applicant's request, the Department may exclude at least 50 percent of gross self-employment income when a need group has countable self-employment income and permitted costs (see OAR 461-145-0910 and 461-145-0920). The maximum exclusion is the total of all actual costs permitted under OAR 461-145-0920.¶

(c) ¶Effective March 1, 2022, the monthly copay shall be as follows, using the countable income, or countable self-employment income minus permitted costs:¶

(d) Notwithstanding the provisions of this rule section, the ERDC copay may be reduced or temporarily waived as follows:¶

- (A) Reduced to \$0 for no more than three months after closure of TANF benefits when:¶
 - (i) The closure is because an individual in the need group had earned income that led to the TANF closure;¶
 - (ii) An ERDC date of request (see OAR 461-115-0030) is established within 90 days of closure; and¶
 - (iii) The individual is eligible for ERDC at initial certification.¶
- (B) As allowed under OARs 461-160-0040 and 461-135-0405.
