Pickle Amendment Clients; OSIPM ¶¶

(1) The countable (see OAR 461-001-0000) Social Security Benefits (SSB) income of an individual is determined according to sections (2) to (4) of this rule if the individual meets all of the following requirements:¶¶

(a) Is receiving SSB;¶¶

(b) Was eligible for and receiving Supplemental Security Income (SSI) or state supplements but became ineligible for those payments after April 1977; and¶¶

(c) Would be eligible for SSI or state supplement if the SSB Cost-of-Living Adjustments (COLA) increases paid under section 215(i) of the Social Security Act, after the last month the individual was both eligible for and received SSI or a supplement and was entitled to SSB, were deducted from current SSB.¶¶

(2) The SSB amount received by the individual when the individual became ineligible for SSI or OSIP is used as the individual's countable SSB income, for the purposes of the Pickle Amendment. If the spouse (see OAR 461-001-0000) of the individual also had Social Security benefits at the time the individual lost SSI benefits, SSB amount at that time of the spouse is considered the countable income of the spouse. If the amount cannot be determined using the information provided by the Social Security Administration (SSA), it is calculated in accordance with section (3) of this rule.¶¶

(3) The Department determines the month in which the individual was entitled to SSB and received SSI in the same month. The Department uses the table in section (4) of this rule to find the percentage that applies to that month. The Department multiplies the present amount of the SSB of the individual by the applicable percentage. If the spouse of the individual also had SSB at the time the individual lost SSI benefits, the Department adjusts the SSB of the spouse using the same multiplier that was used for the individual's calculation under this section. This amount,

rounded down to the next lower whole dollar, is the individual's countable SSB income.

(4) The following guide contains the calculations used to determine the SSB for prior years (the Department uses this table only if the prior year's amount using information provided by SSA):

If SSI was Last Received During Multiply Current SSB by

(1) Home defined: A home is the place where the filing group (see OAR 461-110-0310) lives. A home may be a house, boat, trailer, mobile home, or other habitation. A home also includes the following:¶¶

(a) Land on which the home is built and contiguous property.¶¶

(A) In all programs except the OSIP, OSIPM, QMB, and SNAP programs, property must meet all the following criteria to be considered contiguous property:¶¶

(i) It must not be separated from the land on which the home is built by land owned by people outside the financial group (see OAR 461-110-0530).¶¶

(ii) It must not be separated by a public right-of-way, such as a road.¶¶

(iii) It must be property that cannot be sold separately from the home.¶¶

(B) In the OSIP, OSIPM, QMB, and SNAP programs, contiguous property is property not separated from the land on which the home is built by land owned by people outside the financial group.¶¶

(b) Other dwellings on the land surrounding the home that cannot be sold separately from the home.¶¶

(2) Exclusion of home and other property:¶¶

(a) For an individual who has an initial month (see OAR 461-001-0000) of long-term care (see OAR 461-001-0000) or home and community-based care (see OAR 461-001-0030) on or after January 1, 2006:¶¶

(A) For purposes of this subsection, "child" means a biological or adoptive child who is:¶¶

(i) Under age 21; or¶¶

(ii) Any age and meets the Social Security Administration criteria for blindness or disability.¶¶

(B) The equity value (see OAR 461-001-0000) of a home is excluded if the requirements of at least one of the following subparagraphs are met:¶¶

(i) The child (see paragraph (A) of this subsection) of the individual or relative dependent on the individual for support occupies the home.¶¶

(ii) The spouse (see OAR 461-001-0000) of the individual occupies the home.¶¶

(iii) The equity in the home is ~~\$688~~713,000 or less, and the requirements of at least one of the following subparagraphs are met:¶¶

(I) The individual occupies the home.¶¶

(II) The home equity is excluded under OAR 461-145-0252.¶¶

(III) The home is listed for sale per OAR 461-145-0420.¶¶

(iv) Notwithstanding OAR 461-120-0330, the equity in the home is more than ~~\$688~~713,000 and the individual is unable legally to convert the equity value in the home to cash.¶¶

(b) For all other filing groups, the value of a home is excluded when the home is occupied by any member of the filing group.¶¶

(c) In the SNAP program, the value of land is excluded while the group is building or planning to build their home on it, except that if the group owns (or is buying) the home they live in and has separate land they intend to build on, only the home in which they live is excluded, and the land they intend to build on is treated as real property in accordance with OAR 461-145-0420.¶¶

(3) Exclusion during temporary absence: The value of a home is excluded in each of the following situations:¶¶

(a) For the purposes of this section, "evidence" includes a written statement from a competent individual.¶¶

(b) In all programs except the OSIP, OSIPM, and QMB-DW programs, during the temporary absence of all members of the filing group from the property, if the absence is due to illness or uninhabitability (from casualty or natural disaster), and the filing group intends to return home.¶¶

(c) In the OSIP, OSIPM, and QMB-DW programs, when the individual is temporarily absent:¶¶

(A) To receive assistance with activities of daily living (see OAR 411-015-0005) under one of the following conditions:¶¶

(i) The absent individual has provided evidence that the individual will return to the home. The evidence must reflect the subjective intent of the individual, regardless of the individual's medical condition.¶¶

(ii) The home remains occupied by the individual's spouse, child, or a relative dependent on the individual for support. The child must be less than 21 years of age or, if over the age of 21, blind or an individual with a disability

as defined by SSA criteria.¶

(B) Due to illness, employment or training for future employment, seasonal employment, or uninhabitability; and both of the following conditions are met:¶

(i) The absent individual has provided evidence that the absent individual will return home, and¶

(ii) The evidence reflects the subjective intent of the individual, regardless of the individual's medical condition.¶

(d) In the REF, REFM, and TANF programs, when all members of the filing group are absent because:¶

(A) The members are employed in seasonal employment and intend to return to the home when the employment ends; or¶

(B) The members are searching for employment, and the search requires the members to relocate away from their home. If all members of the filing group are absent for this reason, the home may be excluded for up to six months from the date the last member of the filing group leaves the home to search for employment. After the six months, if a member of the filing group does not return, the home is no longer excluded.¶

(e) In the SNAP program, when the financial group is absent because of employment or training for future employment.

461-160-0580

Excluded Resource; Community Spouse Provision (OSIPM except OSIPM-EPD) ¶¶

In the OSIPM (except OSIPM-EPD) program:¶¶

(1) This rule applies to an institutionalized spouse (see OAR 461-001-0030) who has applied for benefits because the individual is in or will be in a continuous period of care (see OAR 461-001-0030).¶¶

(2) Whether a legally married (see OAR 461-001-0000) couple lives together or not, the determination of whether the value of the couple's resources exceeds the eligibility limit for the institutionalized spouse for the OSIPM program is made as follows:¶¶

(a) The first step is the determination of what the couple's combined countable (see OAR 461-001-0000) resources were at the beginning of the most recent continuous period of care. (The beginning of the continuous period of care is the first month of that continuous period.)¶¶

(A) Division 461-140 and 461-145 rules applicable to OSIPM describe which of the couple's resources are countable resources, and are applicable to determine whether a community spouse's resources are countable, even if the rule only applies to OSIPM individuals.¶¶

(B) The countable resources of both spouses are combined.¶¶

(C) At this point in the computation, the couple's combined countable resources are considered available equally to both spouses.¶¶

(b) The second step is the calculation of one half of what the couple's combined countable resources were at the beginning of the continuous period of care. The community spouse's half of the couple's combined resources is treated as a constant amount when determining eligibility.¶¶

(c) The third step is the determination of the community spouse's resource allowance. The community spouse's resource allowance is the largest of the four following amounts:¶¶

(A) The community spouse's half of what the couple's combined countable resources were at the beginning of the continuous period of care, but not more than \$148,625,140.¶¶

(B) ~~\$29,724,30,828~~ (the state community-spouse resource allowance).¶¶

(C) A court-ordered community spouse resource allowance. In this paragraph and paragraph (2)(f)(C) of this rule, the term "court-ordered community spouse resource allowance" means a "court-ordered community spouse resource allowance" that, in relation to the income generated, would raise the community spouse's income to a court-approved monthly maintenance needs allowance. In cases where the individual became an institutionalized spouse on or after February 8, 2006, this resource allowance must use all of the individual's available income and the community spouse's income to meet the community spouse's monthly maintenance needs allowance before any resources are used to generate interest income to meet the allowance.¶¶

(D) After considering the income of the community spouse (see OAR 461-001-0030) and the income available from the institutionalized spouse, an amount which, if invested, would raise the community spouse's income to the monthly maintenance needs allowance. The amount described in this paragraph is the amount required to purchase a single premium immediate annuity to make up the shortfall; and the amount described in this paragraph is considered only if the amount described in subparagraph (i) of this paragraph is larger than the amount described in subparagraph (ii); it is the difference between the following:¶¶

(i) The maintenance needs allowance computed in accordance with OAR 461-160-0620.¶¶

(ii) The difference between:¶¶

(I) The sum of gross countable income of the community spouse and the institutionalized spouse; and¶¶

(II) The applicable need standard under OAR 461-160-0620(3)(c).¶¶

(d) The fourth step is the determination of what the couple's current combined countable resources are when a resource assessment is requested or the institutionalized spouse applies for OSIPM. The procedure in subsection (2)(a) (first step) of this rule is used.¶¶

(e) The fifth step is the subtraction of the community spouse's resource allowance from the couple's current combined countable resources. The resources remaining are considered available to the institutionalized spouse.¶¶

(f) The sixth step is a comparison of the value of the remaining resources to the OSIPM resource standard for one person (under OAR 461-160-0015). If the value of the remaining resources is at or below the standard, the institutionalized spouse meets this eligibility requirement. If the value of the remaining resources is above the

standard, the institutionalized spouse cannot be eligible until the value of the couple's combined countable resources is reduced to the largest of the four following amounts:¶¶

(A) The community spouse's half of what the couple's combined countable resources were at the beginning of the continuous period of care (but not more than \$148,6254,140) plus the OSIPM resource standard for one person.¶¶

(B) \$29,72430,828 (the state community-spouse resource allowance), plus the OSIPM resource standard for one person.¶¶

(C) A "court-ordered community spouse resource allowance" plus the OSIPM resource standard for one person. (See paragraph (2)(c)(C) of this rule for a description of the "court-ordered community spouse resource allowance".)¶¶

(D) The OSIPM resource standard for one person plus the amount described in the remainder of this paragraph. After considering the income of the community spouse and the income available from the institutionalized spouse, add an amount which, if invested, would raise the community spouse's income to the monthly maintenance needs allowance. This amount is the amount required to purchase a single premium immediate annuity to make up the shortfall. Add this amount only if the amount described in subparagraph (i) of this paragraph is larger than the amount described in subparagraph (ii); it is the difference between the following:¶¶

(i) The monthly income allowance computed in accordance with OAR 461-160-0620.¶¶

(ii) The difference between:¶¶

(I) The sum of gross countable income of the community spouse and the institutionalized spouse; and¶¶

(II) The applicable need standard under OAR 461-160-0620(3)(c).¶¶

(3) Once eligibility has been established, resources equal to the community spouse's resource allowance (under subsection (2)(c) of this rule) must be transferred to the community spouse if those resources are not already in that spouse's name. The institutionalized spouse must indicate their intent to transfer the resources and must complete the transfer to the community spouse within 90 days. This period may be extended for good cause. These resources are excluded during this period. After this period, resources owned by the institutionalized spouse but not transferred out of that spouse's name will be countable and used to determine ongoing eligibility.¶¶

(4) The provisions of paragraph (2)(c)(C) of this rule requiring income to be considered first may be waived if the Department determines that the resulting community resource allowance would create an undue hardship on the spouse (see OAR 461-001-0000) of the individual.

THIS RULE WILL BE AMENDED TO REFLECT FEDERAL COST OF LIVING ADJUSTMENTS PUBLISHED ANNUALLY ¶

In the OSIPM program: ¶

(1) Deductions from income are made for an individual residing in or entering a long-term care facility or receiving home and community-based care (see OAR 461-001-0030) as explained in subsections (3)(a) to (3)(h) of this rule. ¶

(2) The liability of an individual is determined according to subsection (3)(i) of this rule, except as provided otherwise in OAR 461-160-0610. ¶

(3) Deductions are made in the following order: ¶

(a) One standard earned income deduction of \$65 is made from the earned income in the OSIPM program. ¶

(b) The deductions under the plan for self-support as allowed by OAR 461-145-0405. ¶

(c) One of the following need standards: ¶

(A) A ~~\$74,757.14~~ personal needs allowance for an individual receiving long-term care services. ¶

(B) A \$90 personal needs allowance for an individual receiving long-term care services who is eligible for VA benefits based on unreimbursed medical expenses. The \$90 allowance is allowed only when the VA benefit has been reduced to \$90. ¶

(C) For an individual who receives home and community-based care: ¶

(i) Except as provided in subparagraph (ii) of this paragraph, the OSIPM maintenance standard. ¶

(ii) For an individual who receives in-home services, the OSIPM maintenance standard plus \$500. ¶

(d) A community spouse (see OAR 461-001-0030) monthly income allowance is deducted from the income of the institutionalized spouse (see OAR 461-001-0030) to the extent that the income is made available to or for the benefit of the community spouse, using the following calculation. ¶

(A) Step 1--Determine the maintenance needs allowance. \$2,465.00 is added to the amount over \$739.50 that is needed to pay monthly shelter expenses for the principal residence of the couple. This sum or ~~\$3,715,853.50~~, whichever is less, is the maintenance needs allowance. For the purpose of this calculation, shelter expenses are the rent or home mortgage payment (principal and interest), taxes, insurance, required maintenance charges for a condominium or cooperative, and the full standard utility allowance for the SNAP program (see OAR 461-160-0420). If an all-inclusive rate covers items that are not allowable shelter expenses, including meals or housekeeping in an assisted living facility, or the rate includes utilities, to the extent they can be distinguished, these items must be deducted from the all-inclusive rate to determine allowable shelter expenses. ¶

(B) Step 2--Compare maintenance needs allowance with community spouse's countable income. The countable (see OAR 461-001-0000) income of the community spouse is subtracted from the maintenance needs allowance determined in step 1. The difference is the income allowance unless the allowance described in step 3 is greater. ¶

(C) Step 3--If a spousal support order or exceptional circumstances resulting in significant financial distress require a greater income allowance than that calculated in step 2, the greater amount is the allowance. ¶

(e) A dependent income allowance as follows: ¶

(A) For a case with a community spouse, a deduction is permitted only if the monthly income of the eligible dependent is below \$2,465.00. To determine the income allowance of each eligible dependent: ¶

(i) The monthly income of the eligible dependent is deducted from \$2,465.00. ¶

(ii) One-third of the amount remaining after the subtraction in paragraph (A) of this subsection is the income allowance of the eligible dependent. ¶

(B) For a case with no community spouse: ¶

(i) The allowance is the TANF adjusted income standard (see OAR 461-155-0030) for the individual and eligible dependents. ¶

(ii) The TANF standard is not reduced by the income of the dependent. ¶

(f) Costs for maintaining a home if the individual meets the criteria in OAR 461-160-0630. ¶

(g) Medical deductions allowed by OAR 461-160-0030 and 461-160-0055 are made for costs not covered under

the state plan.¶

(h) After taking all the deductions allowed by this rule, the remaining balance is the adjusted income (see OAR 461-001-0000).¶

(i) The individual's liability is determined as follows:¶

(A) For an individual receiving home and community-based care (except individuals identified in section (2) of this rule), the liability is the actual cost of the home and community-based care or the adjusted income of the individual, whichever is less. This amount must be paid to the Department or the home and community-based care facility each month as a condition of being eligible for home and community-based care.¶

(B) For an individual who resides in a nursing facility, the liability is the actual cost of services or the adjusted income of the individual, whichever is less. This amount must be paid to the facility each month as a condition of being eligible for nursing facility services.
