Message:

Videoconferences detailing CAF Self-Sufficiency June 2006 medical program policy changes were held at various sites throughout the State from May 15-18. A prerecorded NetLink is now available for staff that were not able to attend one of these sessions. The information covered in the NetLink is the same information that was covered in the videoconference.

The NetLink presentation is titled "June 2006 Medical Program Policy Changes". Staff can register for the NetLink by logging on to the Training home page at <http://www.dhs.state.or.us/training/> and selecting "Find a Class & Register" under "Online Registration".

Staff should plan on approximately 45 minutes to view the presentation.
