Will notices be sent to households related to these payments?

As this is a mass distribution, we will not be sending individual notices to households eligible for EA payments. A media release will be distributed, and communication will be done through social media and outreach through community partners.

Reminders:

- Emergency allotments are not related to the annual COLA/SUA changes. See transmittal [SS-IM-21-018](#) to see the new SNAP standard changes effective October 1st, 2021.
- As of April 2021, households previously receiving less than \$95 or \$0 in EA, may receive a supplement of \$95 in EA. Households eligible for \$95 or more in EA will not see a change in their EA amounts.
- As of May 11, 2021, households eligible for a \$0 SNAP regular base allotment are no longer eligible to receive EA benefits. This is due to new federal clarification in April 2021. These households will not receive EA in June.
