Discussion/Interpretation:

Employment and Self-Sufficiency Programs

Inserted a new item about eligibility for JOBS support service payments. Under HB 2696, which was passed by the 2003 Legislature, DHS is responsible for two things: 1) provide notices and hearings when JOBS support service payments are denied, closed, or reduced; and 2) establish standards (eligibility criteria) for JOBS support service payments. This section in the Employment and Self-Sufficiency Program chapter accomplishes the second objective. The criteria listed in this section will provide guidance to staff about issuing and denying JOBS support service payments. ES A
