Discussion/Interpretation:

Rules 461-135-1120 and 461-135-1130 were amended with a temporary rule filing on February 19, 2004. The amendments were made specifically to address hearing issues related to the disqualification process. **The amendments do not change the current OHP premium billing and disqualification processes.**

Rules 461-155-0225 and 461-155-0235 were amended with temporary rule filings to reflect the annual increase in the federal poverty levels that were published on February 13th in the Federal Register. The income standards affected by the increase were issued in a staff transmittal on February 13th.
