## **Action required: ODDS COVID-19 Scenarios Tool**

ODDS has developed a COVID-19 Scenarios Tool that outlines various responses and scenarios related to [presumptive positive](#) and [suspected cases](#) of COVID-19 in each of the following:

- 24 Hour/Foster Care Resident
- In-Home Resident
- Employment or DSA setting
- Agency employee
- Case Management staff
- 24 Hour/Foster Care Resident [quarantined](#) due to potential exposure to COVID-19

Case management entities, providers, and others in the field must use this tool if they have a suspected or presumed case, or if someone must self-isolate or be quarantined.

Everyone must use the most recent version of this COVID-19 Scenarios Tool, posted on the ODDS COVID-19 website, because it may be updated frequently as additional information becomes available.

This tool has been posted and will be maintained on the ODDS COVID-19 website at: <https://www.oregon.gov/DHS/SENIORS-DISABILITIES/DD/ODDS%20Resource%20Library/Scenarios-ODDS-Services-Related-COVID-19.pdf>
