**Action required:**

The in-home care agency (IHCA) *For the People* (528295 / 500771435) is no longer licensed to provide services. The last day they were eligible to provide services was 4/7/21.

To identify individuals that were receiving services from this IHCA, the Medicaid Services and Supports policy team recently developed and distributed a list of prime numbers comprised of recently submitted claims to impacted local offices.

Case managers must work with impacted individuals to identify a new provider option. Staff are strongly encouraged to prioritize individuals with high risk or care needs first.

The MMIS POC should end on 4/7/21. However, if staff ended the POC on 4/9/21 (as originally provided in the directions that were sent out via email), MMIS will prevent claims from occurring past 4/7/21.

Please note: Individuals that have recently started services with this IHCA may not be on the list.

**Reason for action:**

The IHCA *For the People* relinquished its license Wednesday 4/7/2021.
