Action: For ALF Facilities

Staff must update the service plan and open a new 512 for all consumers served by the previous owner. To update the consumer records, staff will need the provider name, provider number and the effective date. All needed information is in the new owner's information table above.

Steps to update each consumer's record:

- Update the service plan in Oregon ACCESS.
- Close the current 512 with the old provider number.
- Open a new 512 with the new provider number

To access a list of all consumers served by the previous owner, complete the following steps:

- Go to the Mainframe System
- Enter PESM, P, (provider #)

A list of recent payment authorizations and consumers served by the previous owner will be displayed.
