Message:

The purpose of this transmittal is to inform staff who work with Independent Choices Program (ICP) participants and employee providers of ICP participants, that Acumen is offering training Webinars for anyone (including local office staff) who would like to enroll in an online EVV training using the following link:

<https://www.eventbrite.com/o/acumen-fiscal-agent-16861857515>

There are three separate trainings available specific to Oregon participants (and their providers), each of which are being offered on various dates and times through January. Here are the three trainings listed:

- **Oregon Acumen ICP EVV Mobile App** (for those using the EVV mobile App option through their smartphone)
- **Oregon Acumen ICP EVV Phone/Landline Webinar** (for those using the EVV option with their telephone/landline)
- **Oregon Acumen ICP EVV FOB Webinar** (for those using the EVV option with a FOB)

Please encourage participants and their provider(s) to enroll and complete the training applicable to whichever EVV option they have selected as soon as possible. The trainings will cover how to download and use the EVV time entry method for providers, and how to approve or correct time as needed for participants.

As a reminder, participants and providers must begin using the EVV method which they are enrolled in (see [APD-AR-20-068](#)) starting January 1, 2021.
