Background:

Paper vouchers for in-home services are being replaced by a new electronic solution on September 12, 2021. This means the Local Office where you work – along with the consumers you serve from that office and the HCWs/PCAs who work for them – will switch from using paper vouchers to OR PTC DCI on September 12th.

The last paper voucher that providers in your area will receive is 8/29/21 through 9/11/21 pay period. On September 12th, providers and consumers will need to start clocking in, clocking out, and signing off on time by using one of the OR PTC DCI options. OR PTC DCI stands for Oregon Provider Time Capture Direct Care Innovations.

For more information on the PTC Project, please visit [PTC.Oregon.gov](https://www.ptc.oregon.gov). Please send any questions to PTCProject.Info@dhs.oregon.gov, or ask to speak with the PTC Readiness Coach who represents your local office.
