Policy/rule title:	PACE Cases Affected by the October Restoration Actions		
Policy/rule number(s):	APD-PT-18-018; APD-PT-18-005; APD-PT-038	Release number:	
Effective date:	Immediately	Expiration date:

Discussion/interpretation:

During the October Restoration period, there may have been some PACE service cases that were affected, either restored to the previous level of service or a reassessment was conducted and the result of the assessment was an SPL of 14 or higher but no action was taken. In either situation, the benefit and service plans of the previous assessment would have an end date of 5/26/2018.

In [APD-PT-18-018](#) staff were instructed to close cases effective 5/27/2018 if the new assessment conducted after 10/1/2017 resulted in a loss of Long Term Care (LTC) eligibility. A different set of instructions must be implemented for cases receiving services through PACE (Program of All-Inclusive Care for the Elderly). The PACE provider is mandated to provide a PACE participant a minimum 30-day notice when there is an involuntary disenrollment and all PACE cases, when closed, must end at the end of the month. Therefore, any PACE benefit that resulted in a loss of eligibility, with an assessment that was conducted after 10/01/2017, will need to have the benefit end date extended to 06/30/2018.

Following regular protocol, the APD/AAA case manager will notify the PACE social worker of the CA/PS assessment results.

When a consumer/participant is assessed at an SPL 14 or higher and is a PACE participant, the hierarchy for screening continued eligibility is as follows:

- *Follow the deeming process, if initiated by the PACE Inter-Disciplinary Team (IDT)
- *Screen for Extended Waiver Eligibility (EWE) initiated by the APD/AAA case manager.

The PACE IDT may decide to initiate the deeming process when notified that the consumer/participant is assessed at an SPL 14 or higher. If the PACE IDT does not initiate the deeming process, the APD/AAA case manager will review the case for EWE eligibility.

If deeming through PACE is denied, or never requested, the APD/AAA case manager will:

- *Narrate the denial for deeming in Oregon ACCESS (if requested)
- *Review the case for EWE eligibility

The APD/AAA case manager will follow the current EWE process outlined in policy transmittal [APD-PT-17-038](#). If the consumer is EWE eligible, the provider payment to PACE will remain the same when the EWE case is set up.
