**Discussion/interpretation:**

This transmittal has been updated to reflect a rate increase that was approved by the Oregon Legislative Emergency Board on January 8<sup>th</sup>, 2021. The updates are in red.

ODHS is increasing certain rates by 5% as a result of Legislative Action on January 8, 2021. Providers receiving this increase include Assisted Living Facilities, Residential

Care Facilities, Memory Care Facilities, In-Home Agencies, Specific Needs contracts and Nursing Facilities. The 5% rate increase is retroactive to January 1, 2021.

Individuals should not see an increase in their liability amount due to the increase in payment to the provider. This means that maximum client liability should not increase during the COVID-19 public health emergency. Individuals with a liability that is greater than the cost of care could see an increase due to the cost of care increasing with the rate change. A report will be generated to identify cost of care individuals who saw an increase in payment due to the rate increase. Local offices will be contacted to adjust the liability amount for any individuals that have been identified.

The PACE Rate will change January 1, 2021 for both PACE providers.

CBC Room and Board rates, as well as CBC and NF Personal Allowance (PIF) will increase January 1, 2021.

APD Central Office will make all changes necessary to implement these rate changes.

See attached rate schedule.
