

***State of Oregon***  
***State Emergency Medical Services Committee***  
***Physician Representative Vacancy***

The Oregon Emergency Medical Services and Trauma Systems Section, in conjunction with the Oregon Board of Medical Examiners, are compiling a list of physicians interested in serving on the State EMS Committee (SEMSC). This list of physicians will be reviewed by the Board at their quarterly meeting in October. Appointment to the Committee is made by the Department of Human Services. The term of the appointment is four (4) years.

There is one (1) position for a physician open at this time. In order to accommodate appropriate statewide representation, the appointee will need to be a resident of Area Trauma Advisory Board (ATAB) Region 2, 5 or 9, with preference being given to ATABs 5 and 9, (see attached ATAB descriptions and Trauma System map).

The SEMSC is an advisory committee which meets four (4) times a year. The role of the committee is to both advise and serve as a resource to the EMS and Trauma Systems Section. This is a working committee with subcommittees which provide insight and make recommendations, as well as reviews and produces working documents. The committee is involved in regulatory rule making, systems development, quality improvement and grant distributions related to prehospital and trauma care at the state level. For this reason, members generally have knowledge and experience in Oregon EMS, and are involved in their local EMS community. The statutory guidance for the SEMSC is set forth in the Oregon Revised Statutes, Chapter 682, Section 195. (copy attached)

To be considered for this appointment please provide a cover letter and vitae to the Oregon Emergency Medical Services and Trauma Systems Section:

SEMSC – Karen Baker  
EMS and Trauma Systems  
800 NE Oregon Street, Suite 607  
Portland, OR 97302

or email to [karen.e.baker@state.or.us](mailto:karen.e.baker@state.or.us)

If you have questions or need additional information please contact:

Jon Jui, MD                      SEMSC Chairperson  
503-494-7500

***Oregon Revised Statute 682.185 Excerpted:  
State Emergency Medical Services Committee***

**682.195 State Emergency Medical Service Committee; qualifications, terms, duties and compensation.** (1) The Department of Human Services shall appoint a State Emergency Medical Service Committee composed of 18 members as follows:

(a) Seven physicians licensed under ORS chapter 677 whose practice consists of routinely treating emergencies such as cardiovascular illness or trauma, appointed from a list submitted by the Board of Medical Examiners.

(b) Four emergency medical technicians whose practices consist of routinely treating emergencies, including but not limited to cardiovascular illness or trauma, at least one of whom is at the lowest level of emergency medical technician certification established by the department at the time of appointment. EMTs appointed pursuant to this paragraph shall be selected from lists submitted by each area trauma advisory board. The lists shall include nominations from entities including but not limited to organizations that represent emergency care providers in Oregon.

(c) One volunteer ambulance operator, one person representing governmental agencies that provide ambulance services and one person representing a private ambulance company.

(d) One hospital administrator.

(e) One nurse who has served at least two years in the capacity of an emergency department nurse.

(f) One representative of an emergency dispatch center.

(g) One community college or licensed career school representative.

(2) The committee shall include at least one resident but no more than three residents from each region served by one area trauma advisory board at the time of appointment.

(3) Appointments shall be made for a term of four years in a manner to preserve insofar as possible the representation of the organization described in subsection (1) of this section. Vacancies shall be filled for any unexpired term as soon as the department can make such appointments. The committee shall choose its own chairperson and shall meet at the call of the chairperson or the department administrator.

(4) The State Emergency Medical Service Committee shall:

(a) Advise the department concerning the adoption, amendment and repeal of rules authorized by this chapter;

(b) Assist the Emergency Medical Services and Trauma Systems Program in providing state and regional emergency medical services coordination and planning;

(c) Assist communities in identifying emergency medical service system needs and quality improvement initiatives;

(d) Assist the Emergency Medical Services and Trauma Systems Program in prioritizing, implementing and evaluating emergency medical service system quality improvement initiatives identified by communities;

(e) Review and prioritize rural community emergency medical service funding requests and provide input to the Rural Health Coordinating Council; and

(f) Review and prioritize funding requests for rural community emergency medical service training and provide input to the Area Health Education Center program.

(5) The chairperson of the committee shall appoint a subcommittee on EMT certification and discipline, consisting of five physicians and four EMTs. The subcommittee shall advise the department and the board on the adoption, amendment, repeal and application of rules concerning ORS 682.135 to 682.175 and 682.245. The decisions of this subcommittee shall not be subject to the review of the full State Emergency Medical Service Committee.

(6) Members are entitled to compensation as provided in ORS 292.495. [Formerly 823.170; 1997 c.660 §1; 1997 c.751 §6; 1999 c.1056 §7]
