The meeting was called to order at 1:00 p.m. by Michelle Patton.
The meeting was adjourned at 2:00pm.

1. Summary of Injury Report for May 25-June 26, 2012 was reviewed and discussed. There were a total of **34** incidents – **24** were caused by Behavior Management; and **6** were caused by rubbing/abrading objects (non client). **Ten (10)** of these incidents resulted in the filing of an 801 with SAIF Corporation.
2. Review of Vehicle Accidents – NO vehicle accidents to review!
3. Review of Safety Checklist inspections for June 2012. Not all houses have been submitting the checklists. This month as of the date of the meeting; 15 deficiencies were noted.

RECOMMENDATIONS:

Safety Representatives need to contact their assigned houses and make sure reports are done and sent in.

4. New Business –
 - Matt Orser stated that Madison's generator does not lock mag locks. It does not have enough power.
 - Recommendation: Michelle advised she would discuss at managers meeting and bring an answer back to committee at next meeting.
