Citizenship Documentation			
A	Acceptable documentation	Meets US citizenship requirements. Declared US citizenship and provided approved documentation.	Use with "V" in V/R field
C	Ineligible noncitizen	Noncitizen who has not met the Medicaid or CHIP alien status requirements. May be eligible for CAWEM benefit.	No V/R code is allowed
D	Didn't provide documentation	Does not meet citizenship requirements. Declared US citizenship but did not provide documentation so has not met eligibility requirements to receive Medicaid benefits.	Use with "R" in V/R field and "SE" in Source field.
N	Eligible noncitizen	Noncitizen meeting Medicaid or CHIP alien status. Includes children with LPR status under 5 years	No V/R code required.
X	Blank - All others	Has not requested Medicaid and/or no info available.	V/R field remains blank.

Citizenship V/R Codes		
V	Verified	If V is entered citizenship and identity documentation meet Medicaid requirements.
R	Reported	If R is entered citizenship and identity documentation do not meet Medicaid citizenship or identity requirements for Medicaid benefits.

Do not enter a code unless **both** citizenship and identification have been documented. If you have questions, call or email a medical program analyst.

Citizenship Source Codes

Primary Citizenship Sources:		
PS	US Passport	All other citizenship sources require additional documentation of identity. Additional types of acceptable identification are listed below.
