Transmittal #	Issue date	Subject/Topic
<u>APD-IM-16-042</u>	5/3/16	Senior Farm Direct Nutrition Program - OHA mailed yellow notification letters April 22 to 87,917 seniors identified as eligible for participation in the Senior Farm Direct Nutrition Program (SFDNP). Please encourage clients who receive the notification to complete and return the bottom <i>Response Card</i> by May 16 to increase their chances of participation; current funding allows OHA to serve 47,000 seniors. See transmittal for details.
<u>APD-AR-16-030</u>	5/5/16	Pre-Admission Screening and Resident Review (PASRR) - The PASRR process is for all nursing facility residents, regardless of payer source, and all consumers must have PASRR Level I screening, (form 0460) for indicators of Serious Mental Illness (SMI) or Intellectual and Developmental Disabilities (IDD) prior to admission. Without a PASRR review and approval under OAR 411-070-0043 a consumer with IDD cannot be opened for nursing facility plan of care. See transmittal for criteria and guidelines.
<u>SS-IM-16-025</u>	5/5/16	Verification Requirements/Specific Requirements; ERDC - See transmittal for details.
<u>APD-IM-16-043</u>	5/6/16	ODDS Death Reporting Worker Guide - The ODDS Death Reporting Worker Guide is available for use on the DD Case Management Tools <u>web page</u> under <i>Case Management Reference</i> and on the DD Brokerage Personal Agent Tools <u>web page</u> under <i>Basic Brokerage References</i> . See transmittal for details.
