The Supervisor's Role

- Ensure the caseworker has a working knowledge of current DMV/ODOT regulations.
- Review with the caseworker the youth's readiness for driver education and a driver permit. Explore any known obstacles, and develop strategies to overcome them.
- Support the ongoing independence of the youth, and develop strategies to gain support from others involved with the youth.
- Review and approve the comprehensive transition plan.
- Support the caseworker in getting the approval of the district manager or child welfare program manager.
